

Jed A. Reay, M.S.,R.T.

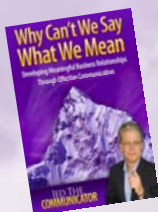

Transformational Thought Specialist

Excellence can be attained if you Care more than others think is wise; Risk more than others think is safe; Dream more than others think is practical; and Expect more than other think is possible.

bio

Jed uses his eclectic background of therapist, medical practitioner, and mastery in human behavior to deliver amazing connections with his clients by way of Transformational Thought and Collective Visioning and being a dynamic Influencer. Thought and Vision bridges the gap between cultural and communication difference that challenge all successful business leaders.

Jed's bestselling book, *Why Can't We Say What We Mean* has been called one of this eras foundation tools for Business Communication.

Jed, you are an asset to the communication industry, to business in general, and to anyone who knows you. I love your energy and your commitment to helping others advance in their lives, both personally and in wealth. -Dr. Al Gerretsen, D.M.D., Canada

MaxxoMedia: "What I love about Jed is his willingness to face issues straight on - to say what he means and follow through. I've known Jed for about two years and in that time he has become a wonderful friend and mentor. Cheers Jed!" Mark Levy August 26, 2009
